

## EVENT ACCESSIBILITY AND INCLUSION

The University of Sydney is proud to provide a learning and working environment which is inclusive and accessible to all. A list of services on offer to those attending the RDI Conference is available below to ensure that all attendees are able to participate in all aspects of the conference.

When completing your registration please be sure to include any special requirements that may not be listed below so we can ensure this is provided this on the day.

---

### The Abercrombie Business School

The University of Sydney Business School  
Cnr Abercrombie Street and Codrington Street  
The University of Sydney NSW 2006

### Accessibility

The Business School has lift facilities to all levels and wheelchair spaces are available in the auditorium

Accessible parking is available in the undercover carpark of the Abercrombie Business School. Please advise if you require a space prior to the conference so that this can be booked for you.

Accessible bathrooms are available on all levels.

## Hearing Impairments

### Infrared Hearing Augmentation System

Teaching spaces at Abercrombie Business School are fitted with infrared system for the hearing impaired. Augmentation infra-red receiver units will be made available at registration for guests requiring this.

### Auslan Interpreters

An Auslan interpreter can be organised for this event if needed. **If you require this service, please state this in your registration in the “Special requirements” section.**

## Vision Impairments

### Written Material

Written material can be provided in alternative formats, as required before and after the event

### Braille

Braille signage is on all permanent signage within the Abercrombie Business school

## Equity and Inclusion Services

### Breastfeeding Room

A shared room is located on Level B2, Room B2001 of the Abercrombie Building. This room is a shared facility, combining a sick bay and bed. It is also suitable for expressing/breastfeeding and contains a chair recommended by the Australian Breastfeeding Association, as well as a lounge, privacy screens, a sink, power point and fridge. The room is private and accessible with a swipe card. **If you require this service, please state this in your registration in the “Special requirements” section.**

### Prayer Room

A designated Prayer room in the Abercrombie School will be available. **If you require this service, please state this in your registration in the “Special requirements” section.**

### Quiet Room

A quiet room will be available for the RDI Conference 2017. Please let registration staff know if you require this service on arrival and they can direct you to the room.

## Other

### Smoking

The University of Sydney is a smoke-free campus. The closest designated smoking area is situated 50m from the Abercrombie Business School in the small grass area next to Darlington Lane
